

HDPE PIPE SOLUTIONS

Built with Integrity. Made to Last.

Subject: Build America, Buy America (BABA) Certification

To Whom It May Concern,

HDPE Pipe Solutions, LLC hereby certifies that the HDPE pipe and conduit products supplied under this certification comply with the domestic content requirements of the **Build America, Buy America Act (BABA)**, as applicable to federally funded infrastructure projects.

We certify the following:

- HDPE Pipe Solutions, LLC is an American-owned and operated manufacturer.
- The HDPE pipe and conduit covered by this certification are manufactured in the United States at our facility located in **Alto, Georgia**.
- All manufacturing processes for the covered products occur in the United States in accordance with the requirements of the Build America, Buy America Act and any applicable federal agency guidance.
- To the best of our knowledge and based on our procurement records, the products supplied under this certification meet the applicable domestic content requirements for BABA compliance.

This certification applies to the products identified on the associated purchase order, quotation, invoice, or shipment documentation unless otherwise noted.

HDPE Pipe Solutions, LLC maintains documentation supporting this certification and will provide additional information upon reasonable request.

If you have any questions regarding this certification, please contact us.

Sincerely,

Chad Sise

Chief Executive Officer

HDPE Pipe Solutions, LLC

Disclaimer: This certification is made in good faith based on current federal regulations and the information available to HDPE Pipe Solutions, LLC at the time of issuance. Project owners and contracting agencies are responsible for determining whether this certification satisfies the specific BABA requirements applicable to their federally funded project
